

In these days of self-quarantine and coronavirus concern, The Women's Table extends loving care to each of you. We plan to share prayers, reflections and songs on a regular basis as a way of connecting with you, especially since we're limited from gathering in person. We extend these thoughts "that ALL may be one!"

We begin with a reflection by John Philip Newell, found in "Sounds of the Eternal," (p. 88)

"Grant us the grace of love this day

that amidst the pain and disfigurement of life

we may find the treasure that is unlocked by love,

that amidst the pain and disfigurement of our own life

we may know the richness that lies buried in the human soul."

"PRAY FOR THE COMING DAY AND FOR THE LIFE OF THE WORLD."

May peace and comfort be yours, today and every day!
